

Kit Carson Academy an International Baccalaureate Primary Years Programme

Mission: Working together as a team, students, parents, staff, and the community of Kit Carson College Preparatory Academy of Creative Arts and Technology commit to providing a rigorous, innovative, and respectful learning environment that promotes academic excellence, intercultural understanding, and social success. Through inquiry-based learning, we will produce diverse, global-minded, lifelong learners who are excited about achieving their goals.

Program at-a-glance

Kit Carson is an International Baccalaureate Primary Years Programme school. Students will benefit from the globally-rich curriculum that is challenging and yet fun for students. The emphasis at Kit Carson Academy is inquiry-based instruction, Creative Arts, and Technology. Students will learn science and social studies concepts integrated within Nevada Academic Content Standards, learn a second language, have access to a variety of reading materials, and use the latest technology to research topics in which they are interested. In addition, Kit Carson provides students an opportunity to explore the world through music, art, and dance. International Baccalaureate schools are globally renowned as schools of excellence, and many students who finish high school in IB schools excel in higher education.
