

Desert Pines High School

Academy of Communications & Information Technology

Academy of Hospitality

Mission: Desert Pines mission is to assist students in becoming productive and contributing members of society who are self-sufficient, inquisitive and adaptable. Our goal is that the acquisition of these skills makes a student college ready, career ready and life ready.

Program at- a-Glance

The Desert Pines Magnet Academies are making an impact with five exciting programs. Video Production students learn pre/post production skills, including script writing, video camera operation, editing, and live broadcast production. Our Radio Production program is the only one of its kind in Nevada. Students learn sound engineering, internet production, on-air programming, and work-based learning experiences. Sports Marketing students advance their knowledge and skills in promotion, pricing, product and marketing information management, market planning and research, product and professional selling . Animation students learn storyboarding, character creation, background development, traditional animation techniques, and the use of industry-standard technology. Culinary Arts students study food safety, quality assurance, sanitation, nutrition and product planning, along with food preparation, inventory management, food cost projecting, purchasing, customer service and marketing.
