Program at a glance

EAST TECH is a four-year comprehensive high school that offers Career and Technical Education programs of study in Construction Technology, Culinary Arts, Education and Early Childhood, Health Information Management, Information Technology Systems, Marketing/Hospitality and Tourism, Mechanical Technology, and Medical Professions in a state-of-the-art facility. At EAST TECH, students learn to meet the challenges of a changing global workplace. Our vision is to cultivate academic excellence through a Project-Based Learning model, facilitated by the extensive use of emerging technologies. Curriculum is designed to foster in students the 21st-century learning skills of critical thinking, collaboration, oral and written communication, and ethical citizenship. Community and post-secondary partnerships allow students the opportunity to work with local businesses and earn college credits and certifications in their selected area of study.
