Program at- a-glance

Eldorado HS is excited to offer the Academy of Video Game Technology and Web Design. The rich tradition of rigorous academics and sound extra-curricular activities at Eldorado provide students an incredible framework for learning and achievement. Our school is dedicated to providing a safe learning environment that promotes academic excellence, character development, and responsible citizenry. Digital Game students will take courses geared towards animation, video game design , and digital game development. Web Design students will take courses focusing on web site development, graphic design, and marketing. Students will gain experience in project based learning, educational team work, and gain the skills necessary to help them succeed in a 21st century workplace.

Eldorado High School Facts at-a-glance

Established: 1973
Grades: 9-12
School Hours: 7:00a.m. –2:16p.m.

Principal: David Wilson
Magnet Coordinator: Kathy Hoyt

Special Features:

- EHS is the only magnet/CTA school that has the Oculus Rift, ASUS G11 CD high performance gaming PC which has the GTX 980 VR graphics processor unit, and 27" 4K monitor.
