### Program at- a-glance

Southeast Tech offers twelve programs for students to choose from which allow them the opportunity to attain career technical certification in addition to their standard high school credit requirements. Southeast Tech has partnered with the College of Southern Nevada and Nevada State College to allow students to earn college credits in their core classes while still being able to earn college credits in the career technical classes as well as advanced placement courses. Southeast Tech is the only career technical academy to offer athletics in CCSD. Extra-curricular activities are offered to meet the needs of our diverse student population such as Student Council, Key Club, SkillsUSA, DECA, National Honor Society, Black Student Union, Student Organization of Latinos, Pride Alliance (LGBT), and many more.

**Programs: Animation & Digital Game Development, Architectural Design, Automotive Technology, Construction Technology, Cosmetology, Culinary, Graphic Design, Education & Training, IT—Networking, Nursing Assistant, Photography and Sports Medicine.**
