## Programs at-a-glance

Ranked amongst the best schools in the State of Nevada, SWCTA is a magnet high school that offers 10 distinct programs of study. When applying, students choose from one of the following areas of interest:

Automotive/Diesel Technology	Engineering
Culinary/Hospitality	Fashion Design
Dental Assisting	Interior Design
Digital Game Technology	Nursing
Web Design & Development	Respiratory Therapy

Programs follow a four-year sequence of study. Rigorous coursework, project-based learning, job shadowing, and internships give students real-world experience. Honors and Advanced Placement classes are offered to maximize potential and ensure students are college and career ready.
