1

FIND YOUR FIT

Explore and research magnet school options through school-based open houses, workshops, shadow days, parent/guardian sessions, and community events.

2

APPLY

Complete an application by the specified deadline, choosing up to three magnet schools or programs that best match the student's interests.

3

SELECTION

Entry into a high school magnet program is criteria-based, audition-based, or interest-based (no qualification requirements). View criteria- and audition-based requirements on the back side. Qualified applications are entered into a computerized, random lottery system to select applicants for available magnet seats.

TRANSPORTATION

Students may qualify for transportation if they live within the magnet school's transportation zone and more than two miles from the school. Visit magnet.ccsd.net/transportation or scan the QR code for more information and transportation availability.
